HOME COMING....OCTOBER 5, 2014

According to Wikipedia:

HOME COMING...

"is the tradition of welcoming back alumni to a school". Old Brick has celebrated Homecoming in past years with varying results.....Can **YOU** help us make this year a great one? **SUNDAY, OCTOBER 5, 2014** has been designated as **HOME COMING SUNDAY!** Plans are still being made but we would love to see you, whether you live out of the area and come for a visit or if you still live local.

We have all heard the saying "you can never go back" or "you can't go home again" because it won't be the same. That may be true for many things but it's not true for **coming back "home" to Old Brick Church!**

I was away from Old Brick for many years and while I thought about coming back at different times I thought it would feel strange. Thankfully I decided to come back regardless of how I felt. I can honestly tell you I didn't feel strange.....I was welcomed by old and new members alike. Many of the names are the same and some are new but the feeling of belonging is the same!

Please come join us for Homecoming Sunday (or at anytime) and see what you are missing. Come hear and meet our new pastor, George Kaden and renew friendships with people from your past.

SAVE THE DATE and keep your eye out for further details!
