Old Brick Tributes Included in the Evening Program...

Florence Voorhees is one of Old Brick's wonderful saints whose faithful presence of over 50 years has made a difference in Christ's Church. She sings in the choir, serves on the Flower Committee and is a member of the Quilting Group. Florence is blessed with a wonderful creativity whereby she makes hangings for our sanctuary that celebrate the seasons of the church year, hand-makes personalized ties for men in the congregation that they wear to Father's Day worship and decorates bulletin boards. She has been involved with all kinds of fundraisers and special events. Florence has a pleasant manner, wit and gracious understanding which makes her a beloved member.

Lee Konrad is a strong supporter of Old Brick Church as she has been the 34 years she has been a member. Her good natured presence is accompanied by a genuine pleasantness and a welcome sense of humor. Lee has been Old Brick's treasurer for 10 years, is a member of the choir, the Administrative Committee and an active participant in bible studies and fellowship activities. She has been a deacon, chaired a search committee and participated in fund raisers. Lee has a great love for the church and considers Old Brick her family. Lee is perceived as a "trooper" with a great spirit and outlook inspiring to all.

Ken Stattel has been a member of Old Brick Reformed Church for 55 years. Ken's smile, kindness and warmth are matched by a valuable perspective and encouraging manner. He is an elder, member of Administrative Committee, served on the 300th Anniversary Committee, various search committees and as liaison to the Boy Scouts who have met in Old Brick for years. Christmas poinsettias and Easter lilies are always delivered and arranged by Ken as he is active in so many ways behind the scenes. Ken's love for Christ shows in his life. It is an honor for Old Brick to bring his name before the Synod of the Mid-Atlantics.
